

How to donate on line

Click on the donation button

Create a profile

After setting up the profile with your email and password, add a transaction.

You can choose to use a credit card or a bank account for the transaction.

You can set up a one time or recurring transaction and pick the date you wish to start.

Choose the general operating fund or the building fund.

When you have finished this complete the transaction.

You will be able to check your donations online whenever you wish.
